

# Ashfields Primary Care Centre

Sandbach, Cheshire

**We are looking for Salaried GPs to join our team due to retirement and an expanding practice.**

Ashfields Primary Care Centre is a growing 26,000+ patient practice in the semi-rural market town of Sandbach, Cheshire, located close to the M6 motorway

We are happy to be **flexible** with the number of sessions worked and are happy to discuss **family friendly working hours**.

You would be joining a large, successful practice, committed to quality and innovation and as a valued member of the team your voice will be heard as we pride ourselves on continual improvement and excellent clinical care.

As a practice we have high patient satisfaction scores, and a good CQC report with outstanding features. We have a supportive clinical team that includes ANPs, who deliver a home visiting/care home and, on the day, urgent appointment service, a pharmacist team who provide chronic disease management, drug titration clinics and post discharge medication reviews. The practice is also supported by first contact physiotherapists, a team of Care Coordinator's, Social prescribers, along with a comprehensive administration team. We are a teaching practice and currently have 3 registrars.

We have history of our salaried GP's moving on to become partners.

We offer a competitive salary (**£10,500 – £12,000 per session depending on experience**), 6 weeks annual leave plus pro rata bank holidays, regular educational sessions held for all clinicians, 1 session for appraisal and BMA matched maternity/paternity leave. We also pay indemnity.

We are happy for potential candidates to come for an informal visit to the practice or if you would like a chat, please call Charlotte Goodwin on **01270 275050**.
