

# Salaried GP Vacancy 4-6 sessions

*With progression to future partnership intended*

**The Village Surgeries Group, Tattenhall  
and Farndon**

<https://www.thevillagesurgeriesgroup.co.uk/>

We are looking to appoint a forward thinking and motivated GP to join our growing practice based in rural south west Cheshire. The role is for up to 6 sessions but there is the option for 4 sessions. We offer flexibility on the days worked and the intention of a partnership position going forward.

We have an increasing patient list, currently 8,700 able to be seen at our Tattenhall or Farndon Surgeries. Our team includes 2 GP Partners, 4 Salaried GPs, 2 Advanced Nurse Practitioner, 3 Practice Nurses, 2 Health Care Assistants and 1 Clinical Pharmacist. All supported by an excellent administrative team.

We are part of the Rural Alliance Primary Care Network, which consists of 5 other GP Practices within rural Cheshire West, we are committed to continue to grow our multi-disciplinary team to provide a holistic approach to our patient population. We already have Social Prescribing Link Workers, Counsellors and Physiotherapists.

We have streamlined our administrative system to reduce GP workload, releasing more clinical time and reducing pressure. All of our patients are on EPS and over 50% are active users of Patient Access. We have a very committed and supportive Patient Participation Group enabling us to be pro-active on patient issues.

You would be joining a successful and friendly team that puts patient care first.  
We can provide Tier 2 Visa Sponsorship if required.

- CQC rating Good
- 100% QOF achievement
- Competitive financial package
- NHS pension
- Group Medical Indemnity
- 6 weeks' holiday pro rata
- Sessions and times as agreed
- Highly trained in-house IT support
- A diverse clinical team means you see the most relevant patients
